

easyNetBooking – Online payment

easyNetBooking has integrated Website Payments Standard from PayPal in Online Booking. This is known as *Adding PayPal Checkout to Your 3rd-party Shopping Cart*.

This means that you can get paid immediately after your customer has completed the registration.

3 easy steps to activate online payment for free

- 1) First you have to register a PayPal account where you order Website Payments Standard. It is free!
https://www.paypal.com/cgi-bin/webscr?cmd=_pro-nonpro-welcome&from_ppip=wp_standard
- 2) The next step is to follow the instructions that will be sent from PayPal. That includes waiting some days to get an activation code in your transaction list.
- 3) The last step is to add your PayPal account ID to easyNetBooking (6.1 The hotel).
